The Marquette Greenway Phase 2 is within the TwinCATS Planning Area but is being administered through Indiana. This caused an issue with adding the project into JobNet. See the message below as documentation that the project was approved for inclusion into the TwinCATS 2023-2026 TIP.

To: SWMPC

The Marquette Greenway Phase 2 project was excluded from the official JobNet TIP document due to technical issues. The amendment to add the project to the TwinCATS 2023-2026 Transportation Improvement Program was approved by the TwinCATS Policy Committee on October 16, 2023. The FHWA Michigan Division certifies that this amendment meets all federal requirements and confirms the project's inclusion in the TwinCATS TIP.
